elets NATIONAL WATER INNOVATION SUMMIT 2020

27th MARCH 2020, NEW DELHI

INDIA'S ***BIGGEST EVENT*** ON INNOVATION IN WATER

SPECIAL FOCUS: FINANCING WATER INFRASTRUCTURE PROJECTS

**DO YOU
KNOW ?**

It is estimated that India needs RS 18 TRILLION in next 15 years for Water Infrastructure Projects!

A recent report estimates that India needs to pump in \$270 billion (about ₹18.5 trillion) over the next 5-15 years to meet its ambitions of piped water supply to all homes by 2024, cleaning the Ganga, interlinking rivers to redirect water to water-scarce regions & irrigation projects. For this, Private Sector participation is necessary.

Realising this, '*Elets National Water Innovation Summit*' will have special focus on *Financing Water Infrastructure Projects: Challenges & Opportunities*.

IT WILL HAVE SPEAKERS FROM:

- Jal Shakti Ministry, Government of India
- Namami Gange
- State Governments
- Infrastructure Companies
- Banks & Financial Institutions
